VERY GOOD TO EXCELLENT

THE RIVER BANK

Food	Decor	Service	Cost
25	29	23	\$31

Chef-owner Lucie Provencher sure "knows her stuff" admit acolytes at this "lovely" Cornwall eatery off to "a strong start"; "marvelous decor" in the former bank includes a mural of the river, mahogany paneling, soaring ceilings, a copper bar and new patio, so factor in an "efficient" staff serving "sophisticated, delicious" New American food (or "the best" brick-oven pizza if you want something simple) and the money's on this place as "worth a detour"; N.B. closed Tuesdays.
